

Information and fees

We know that some of you have a long journey. Some have already said that they want to get to know our charming area, arrive a few days before the meeting.

Therefore, we offer you to arrival from 21.07.2018.

Camping is already possible. There are washrooms, showers, lounge and kitchen.

Even earlier arrival is possible. Please note in the registration.

But then no air traffic.

We prefer to start at the winch, (release heights depending on the wind 350 - 600m)
Please note the aero tow in the registration form. We have to organize external tugs.

General information:

Each pilot must show us the pilot license and aircraft papers upon arrival.

Participation in the briefing is mandatory.
